MEMORANDUM FOR CADET TRAINING SCHOOLS CADET CADRE  
 SQUADRON COMMANDERS OF CADET CADRE  
 GROUP COMMANDERS OF CADET CADRE  
 DIRECTOR OF CADET PROGRAMS (PAWG/DCP)  
 PENNSYLVANIA WING COMMANDER (PAWG/CC)

FROM: PAWG CTS/CC

SUBJECT: Authorization to Staff the 2015 Summer Cadet Training Schools

1. The purpose of this memorandum is to identify those cadet members who have been selected to staff Pennsylvania Wing's 2015 Summer Cadet Training Schools.
  
2. This authorization is conditional on maintaining CAP membership standards. Selected members identified below who fail to maintain a good standing within CAP standards will not be permitted to staff our summer schools. It is important that selected cadets strive to achieve the following:
  - a. Every cadet member must ensure they continue to actively participate with their local unit and maintain good standing within their local unit. Cadet members will be required to register online for the summer schools through the official Cadet Training Schools website (<https://cts.pawg.cap.gov/>). Registration will open in April 2015 and unit commanders will again provide their approval recommendation to attend our activity.
  
  - b. Every cadet member must ensure they maintain their Safety Education Training in accordance with CAP Regulation 62-1, Section 4. Our expectation is that cadet members will not allow their safety education currency to become delinquent between now and the end of June 2015. Cadet members who do not maintain their safety currency through June are considered non-active CAP members and will not be eligible to staff our schools.
  
3. The following cadet members are conditionally approved to staff Pennsylvania Wing's 2015 Summer Cadet Training Schools as Cadet Cadre:
